apr15/78

Harold,

Sorry you haven't been feeling well.

Wayne's not irritated with you; it's just a difference of opinion.

Wayne says Ed Redditt on CBS-TV said he saw nothing sinister in Hollomn transferring him off MLK duty. Wayne saw Ed & Ed shame-faced about his turnabout (saving his job?)

Best,
PM

HW John Crawford

The person in Jowers'--can you give any hint on his identity?

Youngblood & counsel--know name of counsel?
